

Geld verdienen mit Luunaa

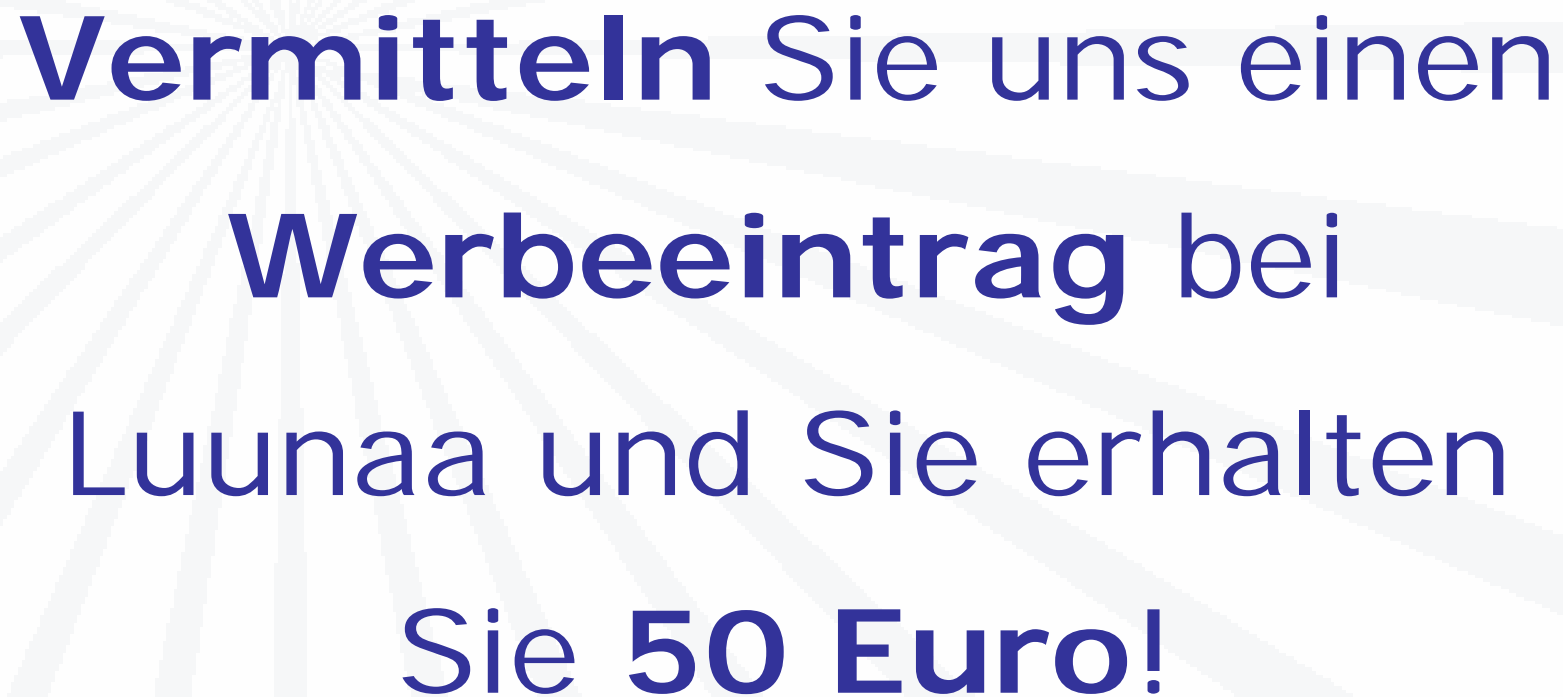

A sunburst graphic with many thin rays emanating from a central point on the left side of the slide, extending towards the right. The rays are light gray and create a sense of radiance and energy.

Gehen Sie gerne aus?

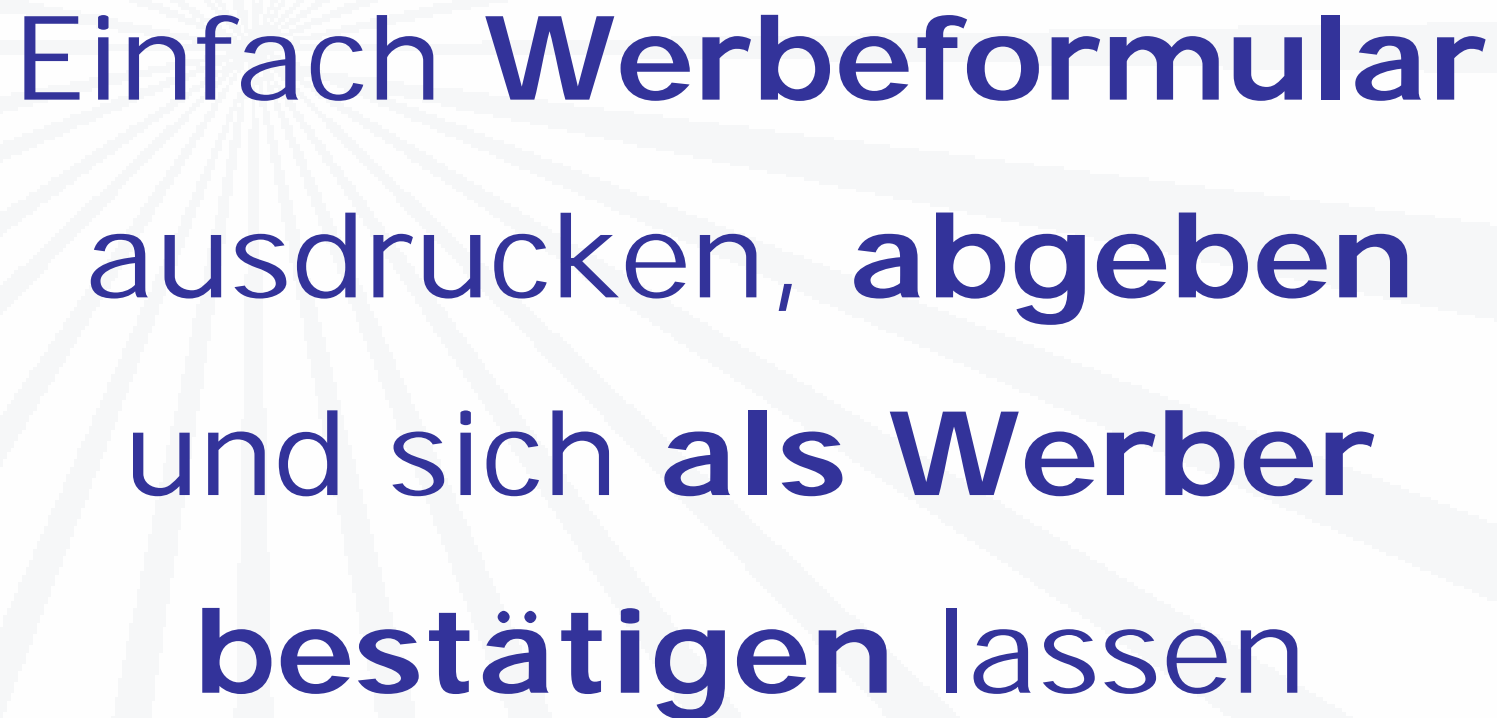

**Kennen Sie jemanden in
Ihrer Lieblingskneipe
persönlich?**

A large graphic of a sunburst or starburst pattern, consisting of numerous thin lines radiating from a central point on the left side of the slide. The lines are light gray and extend across the width of the slide, creating a bright, energetic background for the text.

**Dann werben Sie
diesen doch einfach!**

A large, light blue sunburst graphic with many thin rays radiating from the top left corner, filling the background of the slide.

**Vermitteln Sie uns einen
Werbeeintrag bei
Luunaa und Sie erhalten
Sie **50 Euro!****

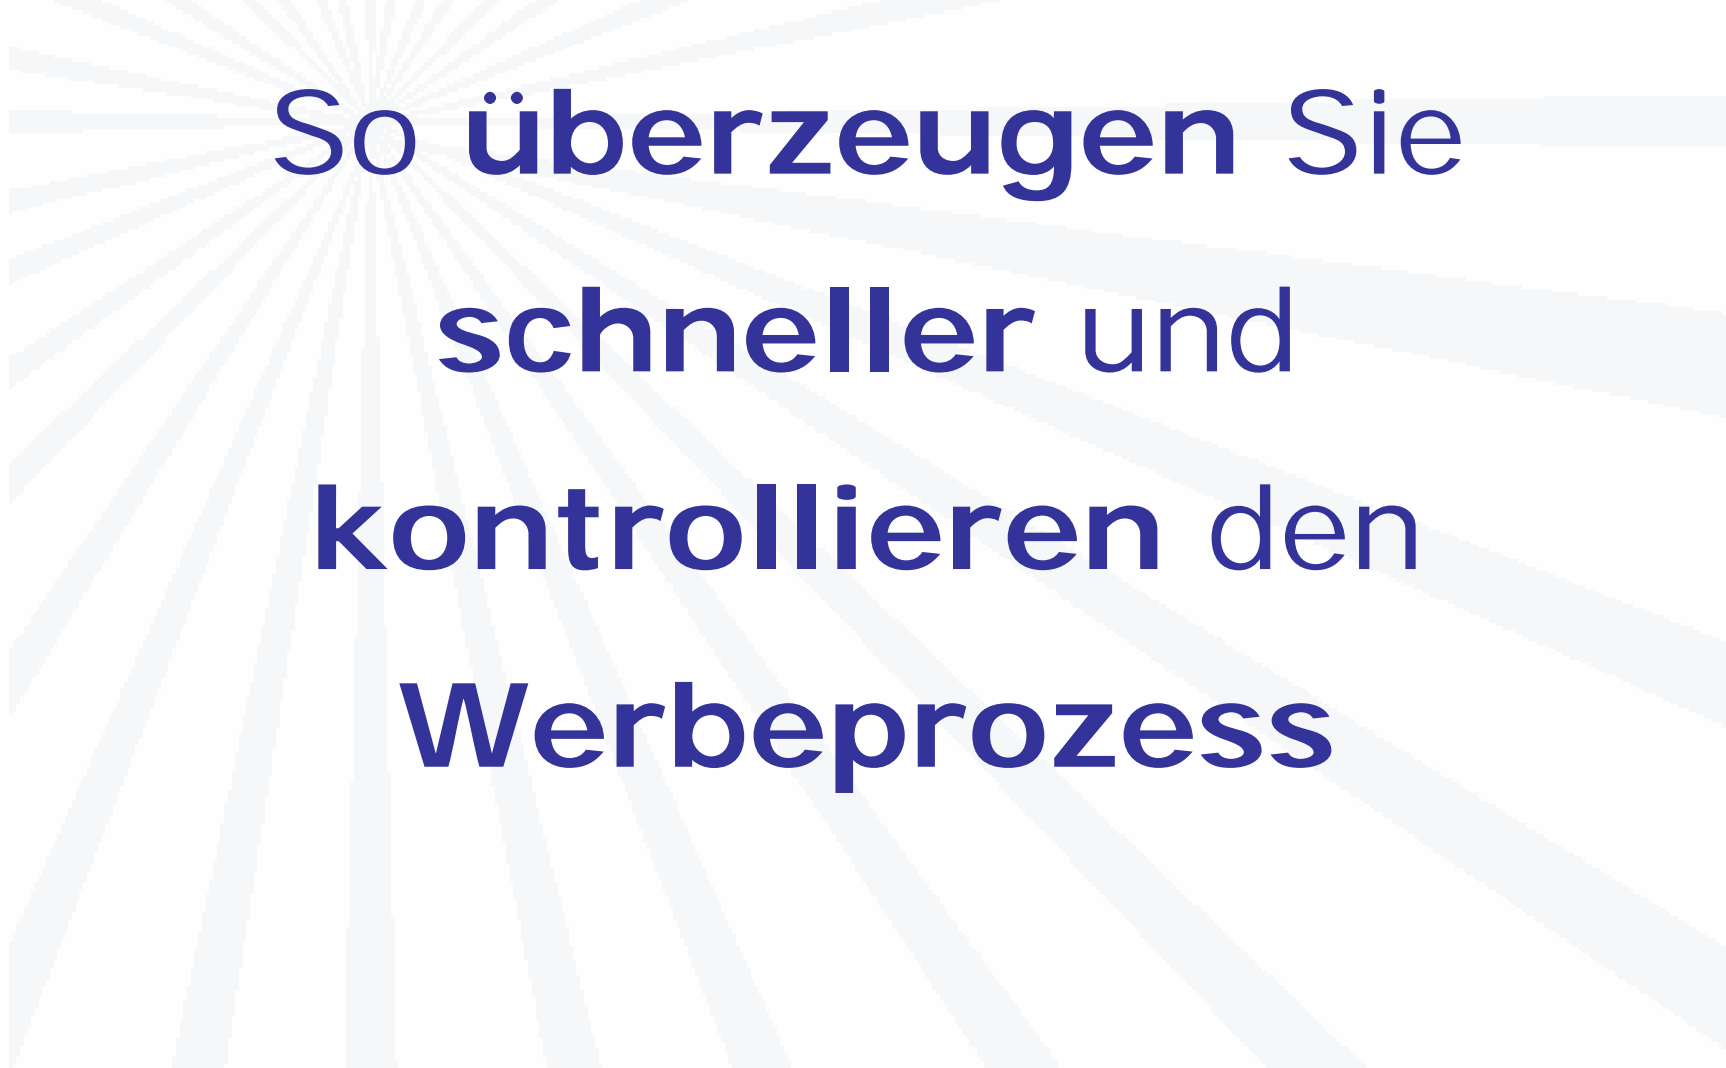

A sunburst graphic with many thin rays emanating from a central point on the left side of the slide, extending across the background.

Einfach **Werbeformular
ausdrucken, **abgeben**
und sich **als Werber**
bestätigen lassen**

A sunburst graphic with many thin rays emanating from a central point on the left side of the slide, extending towards the right. The rays are light gray and create a sense of radiance and focus.

**Überzeugen Sie den
Betreiber **persönlich!****

Bieten Sie an, die **Daten
gemeinsam anzulegen!**

A sunburst graphic with many thin rays emanating from a central point on the left side of the slide, extending towards the right. The rays are light gray and create a sense of radiance and focus.

**So überzeugen Sie
schneller und
kontrollieren den
Werbeprozess**

A sunburst graphic with many thin rays emanating from a central point on the left side of the slide, extending towards the right. The rays are light gray and create a sense of radiance and focus.

**... und erreichen sogar
Kunden ohne Computer.**

**Die Zielgruppe
der Zukunft!**

A large, light gray sunburst graphic is centered on the page. It consists of numerous thin lines radiating from a central point, creating a starburst effect. The lines are slightly thicker and darker in the center, fading out towards the edges.

Viel Erfolg!
